F. No.CUS/BRC/MISC/422/2024-DRC

Date: 07/10/2024

PUBLIC NOTICE NO. 84 /2024

Subject: INTRODUCTION OF 'DRISHTI' (Export Sale-Proceeds Monitoring System) Software - reg.

Attention of exporters, Custom Brokers, Export Promotion Councils and all members of trade is invited towards Public Notice No. 11/2017 dated 30.01.2017 with respect to effective monitoring of realization of export sale-proceeds for recovery of ineligible Drawback/ RoDTEP/RoSCTL in case of non-realisation/ part-realisation of export sale proceeds.

2. 'RBI-BRC Module' was introduced by the Board for proper monitoring of realization of export sale-proceeds for all the shipping bills where LEO was granted on or after 01.04.2014. However, this module is not free from various concerns some of which include non- reporting of remittances by banks received in multiple parts, non-accountal of minor difference in forex realization due to bank charges, sales commission etc., no provision of closing the matter after the exporter returns the proportionate drawback etc.

3. JNCH Port, being a major port of this country, is handling around 14-15 lakh Drawback/RoDTEP/RoSCTL shipping bills per year. To handle the monitoring of export proceeds for such large number of shipping bills every year through the RBI-BRC module is a herculean task. Hence, a need for the software was felt. Accordingly, this Custom House has developed an in-house Export Sale-Proceeds Monitoring Software namely 'DRISHTI', in order to effectively monitor the realization of export sale-proceeds for recovery of ineligible Drawback/ RoDTEP/RoSCTL.

4. Henceforth, the Officers of Drawback Recovery Cell will be monitoring the realization of export sale proceeds through the 'DRISHTI' software and send the Consultative Letters/SCNs generated through the software.

5. JNCH requests support of the trade so that the issues related to RBI-BRC module are taken care of forever. It may so happen that although the full realisation has happened, the data shows non-realisation/part-realisation due to the factors as mentioned above. In such cases, where the exporter feels that full realisation has happened or that they have already submitted the copies of e-BRCs or any other document, they are requested to submit the proof of the same in order to make entry into the software.

6. 'DRISHTI' module is effective for all the shipping bills for which LEO (Let Export Order) date is on or after 01.04.2014. A list of IEC's along with count of shipping bills pending for realization having LEO date between 01.04.2014 to 31.03.2023 is attached herewith. The exporters can contact the Drawback Recovery Cell, JNCH or send an e-mail at dbkrc-jnch@gov.in for full details of shipping bills. For ease of sending the replies, the exporters are requested to follow the following format while sending the email-

Subject of the email- Count of Shipping Bills in 'DRISHTI' RBI-BRC module Pending Realization in respect of IEC-..... (EXPORTER NAME)-Query regarding

Draft email

Please provide us the list of Shipping Bills pending for realization as per RBI-BRC module 'DRISHTI' in respect of the following exporter-

Name of the exporter	-	
IEC	-	
Contact No. (Mobile No.)	-	
Email Id	-	
Complete Address	-	
Any other remark	-	

7. This Public Notice may be treated as Standing Order for the officers concerned.

8. Difficulties, if any in implementation of the aforesaid module may be brought to the notice of the Deputy/Assistant Commissioner in charge of Drawback Recovery Cell.
